The value of a file of newspapers, is greater than some people imagine. To file a paper of the present size of the Gazette: just place each day's paper, after it has been read, between two small boards, and you have a file, convenient always for reference, and giving the current news in a succinct form.

WHAT IS IT?

Why there is

A GREAT COMMOTION

In regard to

HECHT, KAUFMAN & CO., THE MEN who are selling every description of BOOTS, SHOES, HATS, CAPS, DRY GOODS and CLOTHING, at prices far below any dealer in their line. It is hardly necessary to designate their place of business, for almost everybody knows it; but, for the benefit of strangers, we will state that they can be found at 92 King street, second door from Royal street.

Those who patronise them, will find that their reputation for cheapness is not undeserved. Their stock embraces everything that is wanted by ladies and gentlemen, misses and boys, and infants, and they operate upon the principle that, "A Nimble Shapence is better than a Slow Shilling."

It will cost nothing to call and examine their unrivalled stock of Boots, Shoes, Hats, Caps, Dry Goods, Clothing, Gent's Furnishing Goods, Trunks, Valises, &c.
